Subject: Road Improvement Project on Englewood Avenue

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Friday, November 4th, 2016

Road Project on Englewood Avenue to Impact Traffic

A road improvement project will impact traffic along a 10-block section of Englewood Avenue from Monday, November 7th through Wednesday, November 9th.

Work on the project will take place between 7:00 am and 3:30 pm from November 7th through November 9th. While the project is underway, the section of Englewood between 56th Avenue and 66th Avenue will be closed to traffic during work hours. Detour routes around the project area will be available and will be marked with appropriate signage. Flaggers will be on site to help drivers navigate around the project area.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the area will be maintained as best as possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
